About the Conference

The national conference on "Role of Innovative Approaches to Sustainability in Sports, Physical Education, and Sciences" aims to view the transformative impact of sustainable practices within various fields of sports through an explorative approach. In this modern age, the importance of innovative approaches to sustainability in sports, physical education and sports sciences is paramount. With an increasing global recognition of sustainability, the focus on to create multiple and efficient strategies to address environmental, social and economic uncertainties in sports is of utmost importance as to spread awareness around the different system like physical education, educational systems and scientific research to adapt according to the change and requirements that can be led by an example. By adopting innovative approaches, these fields would significantly reduce its ecological, economical and social footprints, while additionally promoting towards a healthier and more sustainable world. By incorporating sustainability into sports, physical education and its related sciences we can create a more resilient, inclusive, and thriving world. This conference will bring together educators, researchers, athletes and industrial professionals of this field to discuss pioneering approaches that promote sustainability, improve resource management and foster long-term resilience. Topics ranging from eco-friendly sports facilities and sustainable training methodologies to the role of technology and policy frameworks in driving sustainable development.

Shri Binzani City College, Nagpur (Autonomous)

Dr. Sujit Metre
Principal

Shri Binzani City College (Autonomous) is one of the oldest and reputed institutes of Nagpur City. The College was given a UGC grant of Rs. 7 lacs for revival under the scheme of revival of old and reputed institute in RTM Nagpur University, Nagpur. It is a premier educational institute in Vidarbha region of Maharashtra State. Shri Binzani City College, Nagpur was established in the year 1930 under the aegis of Nagpur Shikshan Mandal. The institute is co-educational.

Presently the college has 2432 students, Compulsory and Literature, History, Economics, Philosophy, Political Science, Sociology, Psychology, Commerce are taught at graduate level. The college has Post Graduate departments of Political Science, Marathi, English and Master of Commerce (Marathi & English Medium). It also conducts professional courses like - B.Com. (Computer Application), B.B.A. (Bachelor of Business Administration), Ph.D. Research Centre in Commerce, Political Science and English. The institute also has a Junior College.

Nagpur Sharirik Shikshan Mahavidyalaya, Nagpur

Dr. Tapan Dutta
Off. Principal

Nagpur Sharirik Shikshan Mahavidyalaya is run by Krida Manda, Nagpur. a premier institution working in the field of Physical Education, Sports and Recreation since 1934. It is no exaggeration to say that Krida Mandal is, to a great extent responsible for the promotion of Indian games and Physical culture in this area. It is also mainly instrumental in introducing Indian games in the university sports. Realizing the need for trained leaders in the field of Physical Education, Sports, Health Education and Recreation. Krida Mandal started Nagpur Sharirik Shikshan Mahavidyalaya in 1971 with the permission of the State Government of Maharashtra to conduct B.P.E. (Three year) degree course and the very next year Diploma in Physical Education (D.P.Ed.) was started. Later on in 1980-81 D.P.Ed. was converted into B.P.Ed. (Two year) course. In the year 1979-80 the college started Post Graduate course in Physical Education i.e. M.P.Ed. (Two year) course. The College is committed to produce quality physical education teachers.

Manoharbhairav Patel College of Arts, Commerce & Science, Deori

Dr. Arun Zingre
Principal

Manoharbhairav Patel College, Deori, a prominent educational institution in Maharashtra's tribal region, has been providing quality higher education since 1990. Despite its remote location, the college has achieved NAAC accreditation, emphasizing discipline, regularity, and a nurturing environment. Beyond academics, the college fosters holistic development through NSS, sports, and cultural activities. Its modern facilities, including a well-stocked library, laboratories, and a playground,

support both academic and extracurricular pursuits.

Initially offering Arts and Commerce, the college has expanded to include Science faculties, catering to the region's growing educational needs. Under the Gondia Education Society, the college has grown from a small institution to a well-established one, empowering students to realize their potential and contribute to society. I Dr. Arun Zingre on behalf of Gondia Education Society express my best wishes for the success of this

Jyotiba College of Physical Edu., Nagpur

Dr. Vijay Datarkar
Off. Principal

Considering the need of producing competent teachers in the field of Physical Education. Recreation & Sports Sciences. Lokmanya Tilak Jankalyan Shikshan Sanstha a premier education society in Maharashtra established Jyotiba College of Physical Education in year the 1991. The College has rapidly attained the maturity of adulthood passing through the infancy stage of progress with its big strides to success. At present our college has a compact and well maintained campus & its infrastructure resources are being optimally utilized through out the year. Our College is situated in the

outskirts of Nagpur city and enjoy enviable reputation in this region and this is primarily because of its ambience and also because of its insistence on developing positive attitude towards learners especially the marginalized. Our College is recognized by Govt. of Maharashtra and NCTE. WRC, Delhi, Permanently Affiliated to R.T.M.N.U. & NAAC Accredited with 'B' Grade.
